Kathleen Joy Woeber is an energy therapist in private practice since 1991. She is Founder and President of the Matrix Light Institute (1995 – present), an organization that creates an exciting forum for exploring energy, healing and human potential. She later co-founded The Art of Heartful Living, an in-depth program that teaches energy healing, family/systemic constellation work, communication skills, leadership skills, and other alternative therapies. An expert in helping others develop, deepen and trust their intuition and inner wisdom in both their personal and professional lives, Kathleen has been teaching energy healing and conducting seminars since 1992.
